

## **Biography - Gil Weinberg**

Gil Weinberg is the founding director of the Georgia Tech Center for Music Technology. He is a professor in the School of Music and an adjunct professor in the School of Interactive Computing. Weinberg's research aims at expanding musical expression, creativity, and learning through meaningful applications of technology. His research interests include robotic musicianship, new instruments for musical expression, mobile music, and sonification. Weinberg received his M.S. and Ph.D. degrees in Media Arts and Sciences from MIT and his B.A degree from the Interdisciplinary Program for Fostering Excellence in Tel Aviv University.
